

Bottom Line: The key to growing in Hope is found in Hope's relationship to Faith.

Authentic Community:

1. Share with the group something that you read from the Bible Reading Plan that challenged you. How is God leading you to change as a result?
2. How have you thought about Hope this week? Are there any new insights that you have about this concept? Share with the group.

Grace & Truth:

3. What has been your experience with "Hope?" What characterizes times when you are filled with hope? What about times you feel "hopeless?"
4. Read Joshua 4:1-7. We talked about the importance of remembering God's faithfulness. In this passage, the children of Israel erected stones to remind them of God's provision. Have you ever done this? Do you have any practical examples?
5. If you were to "build" a stone of remembrance, what would be the events in your life that you would want to recall? Share one or two of these with the group.

Action Over Words:

6. Determine the important events in your life that remind you of God's faithfulness. How can you create something that will cause you to remember these events?
7. Pray together that God would cause us to be a people characterized by our hope.
