

Bottom Line: Once we understand that we are only stewards of someone else's money, we will realize that we are not free to do whatever we want with it.

Authentic Community:

1. Share with the group something that you read from the Bible Reading Plan that struck you. How is God challenging you to change as a result?
2. Did you take the time this past week to figure what percentage of your income you are giving away? Were you surprised by the number? How are you working to increase that percentage?

Grace & Truth:

3. Read Psalm 24:1, 2. What do you think David meant when he made these statements versus the reality of how we actually live? Why is it so difficult to view the "earth", especially our money, as belonging to God?
4. Read Luke 16:13. This is a familiar concept in the teachings of Jesus. Why is it so difficult to "serve two masters." What difficulties have arisen in your life as a result of trying to do this?

Action Over Words:

5. Will you take the time to figure the percentage of your income that you give away?
6. Share with the group some of your intentions regarding generosity. How will you increase your giving? How can you challenge and pray for one another in this area?
