**Bottom Line: The only true and lasting identity that we can have is one that is received from God.**

**Authentic Community:**

1. Share with the group something that you read from the Bible Reading Plan that challenged you. How is God leading you to change as a result?

2. Did you follow-through with what you committed to do last week? How are you increasingly living a generous life?

**Grace & Truth:**

3. How would you answer the question "Who am I?"

4. Read Genesis 1:26-28. Why is this so foundational to establishing our identity? On what or whom do you derive value and worth?

5. Read Romans 5:1-11. Christian identity does not crush nor exalt you beyond what is appropriate. How does text help us understanding this? How does this explain that the Christian can have both humility and also confidence?

**Action Over Words:**

6. In what ways do you not live from your God-given identity? How can you change this?

7. What will you do this week that will help you believe (with your head and heart) that you are who God says you are? What will you do to make God's view of you more real and important than other's view of you?
