Bottom Line: Faith that does not spur us to act is no faith at all, it is useless.

**Authentic Community:**

1. Share with the group something that you read from the Bible Reading Plan that challenged you. How is God leading you to change as a result?
2. Share with the group any struggles you are facing and pray with one another for wisdom in the middle of these hard times.

**Grace & Truth:**

3. Talk about the relationship between faith and works as you understand it. How is that different after having spent some time in the book of James?
4. Share with the group some helpful ways you have balanced the tension between faith and works. How do you keep yourself from being too "legalistic" and how can we encourage one another out of complacency?
5. Read Matthew 25:31-46. What does this parable look like practically for us? How can we serve Jesus by serving the "least of these?"

**Action Over Words:**

6. What actions do you feel God leading to? How can the group help/pray?
7. Share with the group any plans you may have over the next couple months to serve the least of these. Is there some way the group could be involved together?
