

Bottom Line: **Social Justice is a patently Biblical concept.**

Authentic Community:

1. Share with the group something that you read from the Bible Reading Plan that challenged you. How is God leading you to change as a result?
2. Did you have any opportunities to put your faith in action this past week? Share with the group what that looked like.

Grace & Truth:

3. Take some time to talk about current events. What should be the Christian response to some of the scandals we are hearing about in politics and entertainment? Be gracious in your conversation.
4. Read Zechariah 7:9, 10; Proverb 31:8, 9; and Jeremiah 22:3. Why is the issue of caring for the widow and orphan such a prevalent topic in the Bible?
5. What are some ways that we show favoritism? Why is this in our nature?

Action Over Words:

6. How can you put Actions to your Words this week regarding the topics we discussed?
7. Share with the group any plans you may have over the next couple months to serve the least of these. Is there some way the group could be involved together?
