

Bottom Line: While faith may seem like blind trust, it actually makes everything we believe more concrete.

Authentic Community:

1. Share with the group something that you read from the Bible Reading Plan that challenged you. How is God leading you to change as a result?

2. How have you considered Faith, Hope, and Love over the past week? How are you hoping to grow in these three areas? Do you consider yourself a "faith-filled" person?

Grace & Truth:

3. Is there a difference between "saving faith" and "everyday faith?" What is the relationship between the two? How is your answer now different from what it may have been prior to today?

4. Read 1 John 5:5, James 1:6, and Matthew 21:21. These are just a few of the many verses in the Bible about faith. What are some of the things they tell us about faith?

5. From the discussion today, what does it look like to "live by faith?" What are some times that you have had to do this in your life?

Action Over Words:

6. Commit to spending some time this week focusing on Faith. How can you increase your understanding? Be more aware of the importance of faith in your everyday life.

7. Pray together that God would cause us to be a people characterized by our faith.
