**Make plans to join us for our Core Gathering tonight; 6:00-7:30. Come and hear more about our new vision and plan for Bridgeway and how we will accomplish it. Childcare is provided.**

**Warm Up:**

1. Start your small group time with prayer. Share stories about God is up to, and pray for those who don't yet believe and follow Jesus.

**Dig In:**

2. Talk about some of the "dry seasons" in your life. What characterized these moments? How did God deliver you?

3. Read Acts 2:42-47. How does this passage apply to Bridgeway in a practical sense? What would that look like?

4. When you think of generosity, what do you think of? How does that differ from what we see in the early church in the book of Acts?

5. In 2 Corinthians 2, Paul says we spread the "fragrance of the knowledge of Christ." How do we do that? How can we do it better? As you think about this at Bridgeway, what might that look like?

**Live Out:**

6. What are you dreaming about for Bridgeway Church? What is God calling you to? How can you put that into action this week?
