

Bottom Line: God is able to do more through our passions for His glory than we could ever imagine. We need to Dream Big!

Authentic Community:

1. Share with the group something that you read from the Bible Reading Plan that struck you. How is God challenging you to change as a result?
2. How have you thought about using your passions for God's glory over the last week? Are there any "next steps" you'd like to make your group aware of as a matter of prayer?

Grace & Truth:

3. The end of Ephesians 3 is essentially a song of praise that Paul sings to God. What are the things about God that cause your heart to soar and your mouth to sing praise?
4. Read Ephesians 3:20, 21. What is your response to this passage? Why is it so hard to believe that God can do "immeasurably" more than we think? If we lived this reality, what would that look like in our lives? Share with the group a time God did this in your life.

Action Over Words:

5. What are you "Dreaming Big" about for God's glory? What will you change as a result of this?
